MY BROTHER MADE HORAN FOR OUR FATHER BEFORE...
SO YOU WANT HORAN. LET'S SEE.
MY FATHER DIDN'T SAY A WORD,
BUT I COULD TELL THAT HE LIKED IT BY THE WAY HE ATE.
HORAN IS SOFT LIKE A PANCAKE, BUT NOT MADE BY BAKING.
IT FELT VERY MOIST.
DO WE HAVE KARINTOU?
?
NO, WE DON'T.
THEN, I WONDER IF IT'S OKAY WITH BROWN SUGAR.

BECAUSE HORAN DON'T LIKE TO COME OUT WHEN THERE ARE PEOPLE AROUND.
WE WAITED FOR AWHILE INDOORS.
MY BROTHER ROASTED BROWN SUGAR AND LET IT'S AROMA DRIFT INTO THE GARDEN.
IT'S PROBABLY READY BY NOW.

WE GATHERED THEM IN A BIG BOWL,
AND LET THEM SIT FOR A WHILE.
AH, IT SEEMS LIKE A LOT HAVE COME!

MY BROTHER POURED IN MAPLE SYRUP UNTIL THEY WERE SOAKED.
HORAN MELT COMPLETELY FROM THEIR ORIGINAL STAR SHAPE, TRANSFORMING INTO MANY FLAT LAYERS IN THE BOWL.
IT'S READY.
AND SWEET MAPLE SYRUP SPRE DS THROUGH MY MOUTH...
THE MOIST TEXTURE M DE WITHOUT BAKING...

I LEARNED THAT HORAN
IS MADE FROM STARS.

PLEASE MAKE ME
HORAN AGAIN.

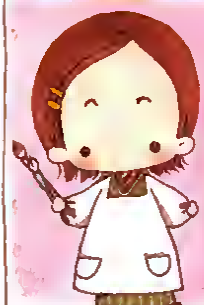
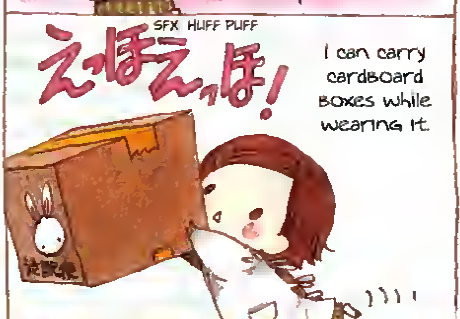
Various At-Home Kimono



The one that makes me feel safe during work is "Kappou Gi," or Japanese old style apron. It's a great item since it gives full coverage (since it's hot during summer, I use the one that hangs down from the front)



I can carry cardboard boxes while wearing it.

I use a towel for the short sleeved one since it has cute patterns and can be washed at home. You can't usually wash kimono at home.

However, the only problem with this clothing is that it transforms into "Fune-san" cosplay when I carry a cat on my lap. Fune-san is a character from a manga series called "Sazae-san" that ran from mid-1940's to the 1970's.

Various Party Kimono

It's nice to attach a flower to add volume even to short hair

Stick sparkles, beads, or rhinestones on the short sleeve and make small handmade accessories

Add "flashy" materials to clog thongs or wear fur-lined clog thongs during winter. They're cute

It's better to have a handbag with a handle since your hands will be full while standing and eating at a party. Things that won't fit in the purse can go into the obi belt

Various Summer Kimono

Compared to before, the summer heat in Japan is comparable to that of the tropics. Therefore, you could die from overheat if you wear kimono by the book.

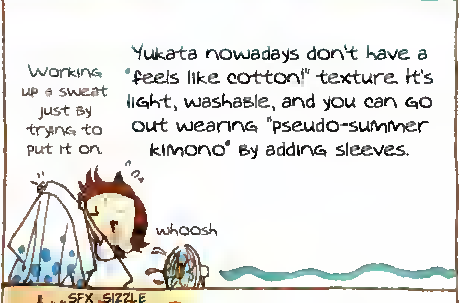
It's fine to wear light silk or thin clothes Or perhaps it's not?
wear v-neck tank top and sports bra
short sleeve with proper! emon nuki
So, forget about being
Wear a yukata on top of this.



Working up a sweat just by trying to put it on.
Yukata nowadays don't have a "feels like cotton!" texture. It's light, washable, and you can go out wearing "pseudo-summer kimono" by adding sleeves.

SFX SIZZLE
Wear kimono during summer. That spirit and determination is what's important.
However, when it's impossible, it's impossible. Think about your health. A parasol is useful!
